<b>Quality Hotel Woden</b>	Hotel rooms for 2-5 ppl	Corner of Melrose Dr & Launceston Phillip Phone: +61 2 62817733 Email: <a href="mailto:gm@qualityhotelwoden.com">gm@qualityhotelwoden.com</a> Website: <a href="http://www.totaltravel.com.au/link.asp?fid=534349">http://www.totaltravel.com.au/link.asp?fid=534349</a>	10-15 min drive to venue. Walking distance to public busses departing to venue every 5-10 minutes	Expensive but second closest to venue. Public busses available and shorter distance to venue than from the city. Shopping centre and various other facilities in walking distance.

The best accommodation options for teams without private cars (Singapore, Perth etc) are the Country Comfort Greenway (5 minutes walk to the venue and next to a large shopping centre but quite expensive and not much availability) OR the Canberra City YHA which is cheaper, has good facilities and is in a good location to 'see' Canberra from, but would require these teams to organize private busses or catch public busses departing to the venue every 5-10 minutes within walking distance (probably 40 minutes to get to the venue this way). Please check out the Canberra City YHA's group booking facility through the website link above and complete the detailed enquiry form. There are many more accommodation options available in the city 20-25 minutes drive by car or within walking distance to public busses departing every 5-10 minutes to the venue. These all tend to be hotel type accommodation and quite expensive. For teams traveling from interstate by private car the Crestwood Gardens Motor Inn, Canberra South Motor Park (both cheaper, an easy drive to the venue and specialize in catering to groups), or Quality Hotel Woden (more expensive but closer to venue and public busses available) might suit your needs better. Should the above accommodation options not suit your needs please use the internet to find out about other places.
